

The Players Code

Participate for the fun of it, not just to please your parents or coach.

Play by the Laws of the game.

Accept all of the referee's decisions.

Control your temper – you and your team will benefit.

Keep trying – even when it seems hopeless.

Be a good sport. Recognise all good play – whether it be from your team or the opposition.

Treat all players, as you yourself would like to be treated. Don't interfere with, bully or take advantage of any player.

Remember, as well as your enjoyment, the aims of the game are to improve your skills and to feel good. Do not show off.

Co-operate with your coach, referee, team-mates and opponents, for without them you do not have a game.
